STUDENT OF THE YEAR GUIDELINES

Nevada DECA Student of the Year Application Guidelines

The Nevada DECA Student of the Year Award may be awarded to any Nevada DECA Student who is a member of an active DECA chapter in good standing. This recognition is merit-based and will be awarded to a student showing exceptional participation/achievement in DECA activities on the Local, State, and National Levels. Accomplishments in areas outside of DECA will also be considered (including academic, athletic, and community involvement), but special attention and preference will be given to DECA involvement. Selections will be made by a committee formed by the Nevada DECA Board of Trustees and Nevada DECA State Staff. The committee will base its determination of the Student of the Year based on the information submitted with this application form as well as the students overall involvement/achievement in DECA throughout the year.

Requirements

1. This completed application form with any supporting materials (supporting materials not to exceed 5 pages total).
2. One letter of recommendation from either the local DECA advisor or another academic instructor/teacher which shows the students exceptional achievements in DECA and other academic, athletic, or other community service/involvement efforts.
3. One high-quality photo of the student being nominated.
4. Application and supporting materials to be submitted at registration at the State Career Development Conference.
